For Republican Members

We are calling to urge you to support the CalWORKs and child care programs that the Governor has proposed to eliminate. Families in your district really count on CalWORKs and child care to help them during these difficult economic times. Cutting these programs has a bigger impact in your district than it does in urban areas where there are more jobs. We can’t afford to leave billions back in Washington when our families need it. If CalWORKs and child care are eliminated it will not only hurt the local economy and throw even more people out of work like child care providers.

For Democratic Members

We are calling to urge you to tell the Governor “No” to eliminating CalWORKs, child care or making any more cuts to the program. The current grant level is exactly the same as it was 20 years ago and with people relying on CalWORKs more, this is no time to reduce the grants. Cutting grants also means we lose \$400 million in federal funds that could be going to our economy. Eliminating CalWORKs and child care will increase unemployment and homelessness. We need you to fight to
