

California's budget affirms our most important priorities. **I'm counting on you** to maintain the revenues we need to sustain the California **we all want to live in!**

Please be a champion for a budget that:

- **Creates and maintains jobs!**
- **Preserves our health care!**
- **Invests in our schools!**
- **Gets families back to work!**

Stand up for your constituents and SUPPORT maintaining current revenue streams to help get California working again!
